Joiner Construction
80 County Road 1398
Vinemont, AL 35179

ATTN: Adam Joiner
Vice President

Dear Adam,

I am not writing this letter because Joiner Construction asked me to, I am writing this letter because they have earned it. This letter is to inform you that Joiner Construction has completed the contract for Building 8975 concrete paving on June 12, 2012. The Scope of work consisted of the following:

Excavation, including dense grade prep, to drawing standards. Dig footings and form according to elevations and per prints. Pour and finish approximately 56,798 square feet of 8" thick 4000 psi. DOT spec. 450 concrete as specified. 1 ¼ " epoxy coated dowels installed at all cold joints. Contraction joints installed and pourable filled as specified on drawings. Expansion joints installed at asphalt road and sidewalk locations and silicone sealed as specified. The concrete paving job was well done.

The total contract amount for this project was: Two hundred eighty-three thousand, five hundred dollars and zero cents (\$283,500.00).

Sincerely,

Keith Cobbs
